	Speaker	Ms. Srilakshmi Talabattula HR Manager, Digitide Solutions Limited Has kindly consented to be the Chief Guest Mr. Yamsani Sandeep Career Mentor & Transformational Coach Secretary at iFocus Mission Has kindly consented to be the special Guest
	Description	C programming language, combined with data structures, helps students understand how data is organized, stored, and processed efficiently. Concepts such as arrays, linked lists, stacks, queues, trees, and graphs form the backbone of software development and competitive programming. Learning these concepts in C improves logical thinking, memory management skills, and algorithmic efficiency.
